

CALIFORNIA CODES
PUBLIC **RESOURCES CODE**
SECTION **5096.955-5096.967**

5096.955. (a) Bonds in the total amount of four billion ninety million dollars (\$4,090,000,000), not including the amount of any refunding bonds issued in accordance with Section **5096.966**, or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this chapter and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government **Code**. The bonds, when sold, shall be and constitute valid and binding obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal of, and interest on, the bonds as the principal and interest become due and payable.

(b) The Treasurer shall sell the bonds authorized by the committee pursuant to this section. The bonds shall be sold upon the terms and conditions specified in a resolution to be adopted by the committee pursuant to Section 16731 of the Government **Code**.

5096.956. The bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law, and all of the provisions of that law apply to the bonds and to this chapter and are hereby incorporated in this chapter as though set forth in full in this chapter.

5096.957. (a) Solely for the purpose of authorizing the issuance and sale, pursuant to the State General Obligation Bond Law, of the bonds authorized by this chapter, the Disaster Preparedness and Flood Prevention Bond Finance Committee is hereby created. For the purposes of this chapter, the Disaster Preparedness and Flood Prevention Bond Finance Committee is "the committee" as that term is used in the State General Obligation Bond Law. The committee consists of the Controller, the Director of Finance, and the Treasurer, or their designated representatives. The Treasurer shall serve as chairperson of the committee. A majority of the committee may act for the committee.

(b) For purposes of the State General Obligation Bond Law, the department is designated the "board."

5096.958. The committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter to carry out this chapter and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to carry out those actions progressively, and it is not necessary that all of the bonds authorized to be issued be sold at any one time.

5096.959. There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year, and it is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act which is necessary to collect that additional sum.

5096.960. Notwithstanding Section 13340 of the Government **Code**, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.

(b) The sum that is necessary to carry out Section **5096.963**, appropriated without regard to fiscal years.

5096.961. The department may request the Pooled Money Investment

Board to make a loan from the Pooled Money Investment Account, in accordance with Section 16312 of the Government **Code**, for the purpose of carrying out this chapter. The amount of the request shall not exceed the amount of the unsold bonds that the committee has, by resolution, authorized to be sold for the purpose of carrying out this chapter. The department shall execute those documents required by the Pooled Money Investment Board to obtain and repay the loan. Any amounts loaned shall be deposited in the fund to be allocated by the department in accordance with this chapter.

5096.962. Notwithstanding any other provision of this chapter, or of the State General Obligation Bond Law, if the Treasurer sells bonds that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes under designated conditions, the Treasurer may maintain separate accounts for the bond proceeds invested and for the investment earnings on those proceeds, and may use or direct the use of those proceeds or earnings to pay any rebate, penalty, or other payment required under federal law or take any other action with respect to the investment and use of those bond proceeds, as may be required or desirable under federal law in order to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

5096.963. For the purposes of carrying out this chapter, the Director of Finance may authorize the withdrawal from the General Fund of an amount or amounts not to exceed the amount of the unsold bonds that have been authorized by the committee to be sold for the purpose of carrying out this chapter. Any amounts withdrawn shall be deposited in the fund. Any money made available under this section shall be returned to the General Fund, with interest at the rate earned by the money in the Pooled Money Investment Account, from proceeds received from the sale of bonds for the purpose of carrying out this chapter.

5096.964. All money deposited in the fund that is derived from premium and accrued interest on bonds sold pursuant to this chapter shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest.

5096.965. Pursuant to Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government **Code**, the cost of bond issuance shall be paid out of the bond proceeds. These costs shall be shared proportionally by each program funded through this bond act.

5096.966. The bonds issued and sold pursuant to this chapter may be refunded in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Part 3 of Division 4 of Title 2 of the Government **Code**, which is a part of the State General Obligation Bond Law. Approval by the electors of the state for the issuance of the bonds under this chapter shall include approval of the issuance of any bonds issued to refund any bonds originally issued under this chapter or any previously issued refunding bonds.

5096.967. The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not "proceeds of taxes" as that term is used in Article XIIIB of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.
